Cookie Policy

This Cookie Policy explains how and why our website uses cookies and similar technologies, as well as what rights and options are available to users for managing cookies.

What are cookies?

Cookies are small text files that are stored on your device when you visit a website. They help remember your actions and preferences (such as language and settings) and ensure a personalized browsing experience on the website.

What types of cookies do we use?

Necessary Cookies: These cookies are essential for the proper functioning of the website and cannot be disabled in our systems. They are usually activated only in response to actions you take, such as setting privacy preferences, logging into your account, or filling out forms.

Analytical and Performance Cookies: These cookies allow us to track site visits and traffic sources so that we can measure and improve the performance of our website. They help us understand which pages are popular and which need improvement.

Functional Cookies: These cookies provide enhanced functionality and personalization. They may be set by us or by third parties whose services are added to our pages (such as language settings and user preferences).

Advertising Cookies: These cookies may be set on our site by our advertising partners to deliver relevant advertising to you. They help create a profile of your interests to provide relevant content.

How to manage cookies?

You can adjust cookie settings in your browser. Most browsers allow you to block cookies or receive notifications when they are sent to your device. However, disabling certain cookies may affect the full functionality of the website.

Contact Information

If you have any questions about the use of cookies on our website, you can contact us via email at ksenia@swift-animation.com.
